### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

cancel claims 1-9, 15-21 and, 27.

2. The drawings were received on 11/14/05. These drawings are acceptable.

3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a mold having first and second flexible mold sections within a flask and forming a part of a denture mold cavity; wherein the mold sections include sloping surfaces extending away from the mold cavity and being conformable to each other, mutually registerable and with means for aligning the first and second flexible mold sections; the prior art also fails to teach such mold sections extending away from the denture mold cavity and being conformable and matable within flasks, the flask has an exterior surface with in opening, and wherein the flask is a container storing the first and second mold sections without applying loads to the first and second mold sections; and a kit for fabricating a mold for duplicating dentures having a flask having an opening, a material conformable to a denture, and a fluent solidifiable material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
